POLLED SHORTHORN CATTLE

RAY PEEBLES & SONS

Phone LA 8-3345

Smithville, Arkansas

Dear Friends,

We invite each of you to attend our dispersion sale of registered Polled Shorthorn cattle on Monday, September 7, 1964.

This herd was established in 1938. Although we had only limited funds available to invest in a purebred foundation, we always sought cattle with dependable pedigrees from reputation breeders.

This herd has been our main source of income for the past twenty-six years. During this period these cattle have enabled us to pay for two farms and erect two sets of new buildings besides being a great source of satisfaction.

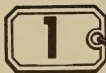

Our show ring success is a matter of record of which many of you are familiar. The climax of course was in 1959 when one of our productions was named International Grand Champion Female. The dam and many half-sisters sell in this sale.

The herd bulls used were Valley View Sheik x, bred by Blomstrom of Waverly, Nebraska; Glatwyn Deacon x, bred by Ray and Gerald Clodfelter of Greencastle, Indiana; and Hallwood Royal Nevada, bred by J.A. Collier & Son, Fletcher, Oklahoma. The present herd bull El-Brook Viking x, that will sell in this sale, is an outstanding son of Hallwood Royal Nevada. These bulls have all come from herds that are recognized leaders within the breed, and we have been fortunate that all of these bulls have complimented each other to a high degree.

We sincerely hope that each of you will be able to attend this sale and appraise our twenty-six years of effort in the Polled Shorthorn business.

Sincerely yours,

Ray Peebles & Son

The John Cearley Consignment

The following six lots are consigned by our good friend John Cearley, West Plains, Missouri.

John's cattle are mostly descendents of Imported Uppermill Lochter, a very successful sire in the late fortys. He has been using El-Brook Polled bulls for the past ten years.

Mr. Cearley has consigned cattle to several of the Arkansas state sales, and they have always been well received.

You will find plenty of scale and substance and general high quality in his consignment.
